We would like to thank all parents for their support throughout this year. Wrestling is a very challenging sport and your support for your student is greatly appreciated.

What do we do now?

- Continue practicing at MHS (see website for MHS practice schedule). This option is available to ALL middle school wrestlers.
- Visit the Guillotine website (Minnesota's wrestling newspaper) at <http://www.theguillotine.com/> to find out information about clubs, camps, tournaments, etc.
- Join us this summer in our wrestling room for "open gym" two nights a week. Look for information on my website or on the MHS wrestling website later this spring.

Please visit Mr. Lewis' website at:

Much of the information above can be found there.
